# PREFACE

**Grammar with Fun** is well-graded and designed to enable the young learners understand grammatical concepts in a systematic way. It organises and reveals the myriad patterns in language that provide learners with a set of tools to use the language with confidence, accuracy and creativity. The series aims to fulfil the needs of young learners of English as a second language by helping them to understand the nuances of English Grammar. It helps students to see the direct relationship between language forms and the use of English in various life situations. Comprehension and composition and vocabulary sections, at the end of each book, enable learners to sharpen their word power, reading skills and provide writing practice.

## **Salient Features**

- Each book has separate sections dealing with grammar, vocabulary, comprehension and composition.
- Clear and lucid explanation of the grammar rules with their usage has been given. The exercises follow the explanations so that the clarity of the concept learnt, is the immediate outcome.
- The focus of the series is to develop children's understanding of the rules of grammar.
- The books serve both as reference as well as workbooks. They provide sufficient practice in applying grammatical concepts in spoken as well as written English.
- A judicious blend of contemporary passages and day-to-day scenarios is reflected in the books, enhancing reading and writing skills.

It is confidently hoped that this new method of presentation will make the study of English Grammar a delightful pastime rather than a tedious task.

Any suggestions from any quarter for further improvement of the books will be thankfully entertained.
