About Myself

Points to Know :

- ❑ Self-Introduction
- ❑ Identity Card
- ❑ Each One is Unique

Getting Started

Here are Arun and Pihu. They have come to the school for the first time. They are introducing themselves to their teacher and classmates.

Hello everyone! My name is Arun Singh. I am six years old. 3rd April is my birthday. I live at Garh Road. I love to play football.

Good morning to all! I am Pihu Gupta. I am six years old. I was born on 11th November. I live at Modipuram. I like to sing and dance.

Everyone has a name. Some also have a nickname or pet name. The **surname** or **family name** is written after our first name. Arun's surname is 'Singh'. Pihu's surname is 'Gupta'.

The day of our birth is called our **birthday**.

Activity

Fill the following with information about yourself.

My name : _____

My age : _____

My class : _____

My school : _____

My Birthday : _____

Things I like to do : _____

IDENTIFICATION CARD

Name : _____

School : _____

Class : _____

Address : _____

Contact Number : _____

Things to Know

- ◆ When you meet someone for the first time; say– ‘Nice to meet you’.
- ◆ No two persons have the same set of fingerprints.

Each One is Unique

No two persons are the same. Each one is unique. Some people like to do a thing while others like to do something else.

Vijay loves cycling.

Rashi loves to dance.

Anuj loves to play football.

You too are unique. Accept the way you are. Love yourself and feel good about it.

I'm Happy I'm Me

There is no one who looks like me.

I am unique, I am me.

I love the way I talk.

I love the way I walk.

I love the things I say.

I love the way I'm happy and gay.

I am unique, I am me.
