I Wonder

Everything in the world is wonderful. The trees, grass, moon, stars, air, water, rain, all fascinate us. We should be grateful to the nature who has bestowed on us so many gifts. Protect everything God has given to make us happy.

I wonder why the grass is green,
And why the wind is never seen?
Who taught the birds to built a nest,
And told the trees to take a rest?

O, when the moon is not **quite** round,
Where can the missing **bit** be found?
Who lights the stars when they blow out,
And makes the **lightening** flash about?

Who paints the **rainbow** in the sky,
And **hangs** the **fluffy** clouds so high?
Why is it now, do you suppose,
That Dad won't tell me if he knows?
