My Family! My World!

Focus On

- ◆ A Family
- ◆ Kinds of Families

HERE WE GO.....

Description of some families and their pictures are given below. Read the descriptions and see the pictures.

This is Vivan's family.
He lives with his mother
and father.

This is Raunak's family.
His family has his mother,
her sister, Raunak and a
pet dog Jimmy.

This is Diljeet's family.
He lives with his mother,
father and sister.

This is Neena's family.
She lives with her Grandparents,
parents and her sister.

Family

We all have families. There may be father, mother and children in a family.

Father and mother are called **parents**.

Parents of our parents are called **grand-parents**.

Our brothers or sisters are called **siblings**.

Father's brother and mother's brother are called **uncle**.

Uncle's wives and sister of father and mother are called **aunt**.

Children of our uncles and aunts are called **cousins**.

Kinds of Families

There are mainly three kinds of families.

Small family

In a **small family** there are parents and one or more children.

Big family

In a **big family** there are parents, grandparents and children.

FOLLOW IT

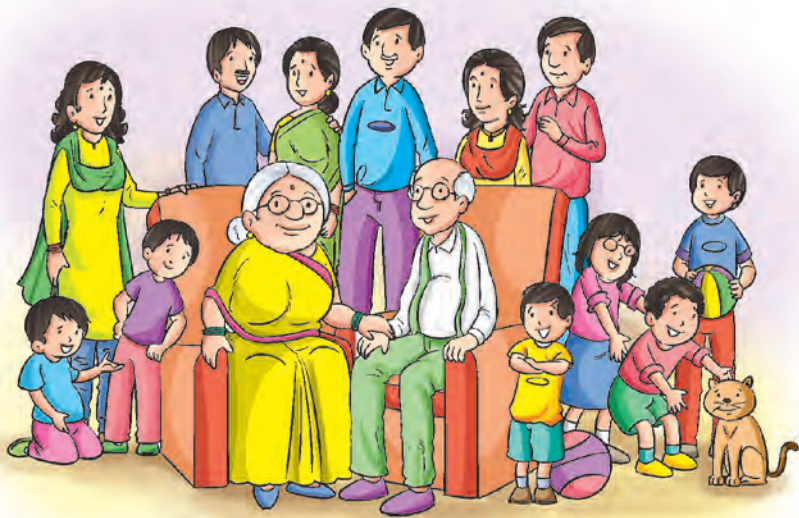

Pay respect and take care of your family members.

Fact Byte

Most of the animals also have families like human beings.

LET'S DO

Write three activities you do with you cousins.

Fact Byte

All types of families may have one or more pets.

FOLLOW IT

Always play and behave with your cousins and siblings in nice manner.

A **large family** have grandparents, parents, uncles, aunts and cousins.

Flash On

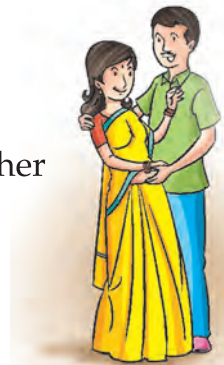

- ◆ Mother, father and children make a family together.
- ◆ Our father and mother are called our parents.
- ◆ Parents of our parents are called grandparents.
- ◆ Mother's brother and father's brother both are called uncles.
- ◆ Mother's sister and father's sister both are called aunts.
- ◆ There may be three types of families—small, big and large.
